## Look to Your Plumbing

You know what happens in a  
house in which the plumbing is in  
poor condition—everybody in the  
house is liable to contract typhoid  
or some other fever. The diges-  
tive organs perform the same  
functions in the human body as  
the plumbing does for the house,  
and they should be kept in first  
class condition all the time. If  
you have any trouble with your  
digestion take Chamberlain's Ta-  
blets and you are certain to get re-  
lief. For sale by Karl Douglass.

Wanted—by elderly gentleman  
with comfortable home and  
well fixed in life a middle aged  
lady, good looking, neat in dress  
and housekeeping and good cook.

D. Turner, 506 West Broadway.

## Cough Medicine For Children

Too much care cannot be used  
in selecting a cough medicine for  
children. It should be pleasant to  
take, contain no harmful substance  
and be most effectual. Chamber-  
lain's Cough Remedy meets these  
requirements and is a favorite  
with the mothers of young child-  
ren everywhere. For sale by Karl  
Douglass.

## Health Shots

Tuberculosis can be avoided.  
Sanitation means better health.  
Know thine enemies—Know  
tuberculosis.

We don't "catch" typhoid; we  
at it.

Community health should be  
everybody's concern.

A larger portion of men than  
women die from tuberculosis.

The best thing about a window  
—raising it.

Death, dirt, disease. Shun a  
dirty neighborhood.
